

Puzzle # 13

JUNE

The Man

The man is his son. Since he doesn't have any brothers or sisters, the statement *my father's son* is himself.

The Birthday

The birthday is on 31st December and the man is talking on 1st January.

Two Fathers, Two Sons and Three Fish

Two fathers and two sons go fishing together in the same boat. **They all catch a fish** but the **total catch** for the day is **three fish**. How is this possible?

Owls and Wolves

You are in the woods with **owls and wolves**. There are **22 eyes** and **32 legs**. How many owls and wolves are there?
