

Puzzle # 21

FEBRUARY

The Wason Selection Task

You should turn the cards with the "A" and the "7". The "A" should be turned to verify that there is an even digit on the other side. The "7" should be turned to verify that there is no vowel on the other side.

Apples and Pears

By taking a fruit from the box "Apples and Pears". If it is an apple, then the pears must be in the "Apples" box, and the box labeled "Pears" must be the one containing both apples and pears.

Week Days

The day after tomorrow is the third day after Wednesday. Which day was the day before yesterday?
