

## Christmas Idioms

**Christmas comes but once a year**

**Don't get your tinsel in a tangle**

**Don't look a gift horse in the mouth**

**Christmas comes but once a year** is used as an excuse for over indulgence, whether on food or on gifts, on the basis that it doesn't happen often.

**Don't get your tinsel in a tangle** means that there's no use getting stressed out trying to make Christmas perfect.

**Don't look a gift horse in the mouth** is a recommendation about not showing ungratefulness when you receive a present, even if it's not exactly what you wanted.
