## Song #33 Look How Far We've Come *Dylan Leblanc*

One day, I won't be \_\_\_\_\_<sup>1</sup>  
Won't play all their foolish  
\_\_\_\_\_<sup>2</sup>

We all need to play  
For you to get yours and me  
to get my \_\_\_\_\_<sup>3</sup>

Some days,  
I don't have the will  
For another run of the  
\_\_\_\_\_<sup>4</sup> kinda day

Sparing the change for your  
\_\_\_\_\_<sup>5</sup>

Saying look what we've  
\_\_\_\_\_<sup>6</sup>

Drive me to drink or drive me  
to get a \_\_\_\_\_<sup>7</sup>  
Then I'll be the chosen one  
For you break your back on a  
slip of the tongue  
Saying look how far we've  
come

Click on the  
musical notes  
above to  
listen to  
the song.

Television \_\_\_\_\_<sup>8</sup>  
this and that

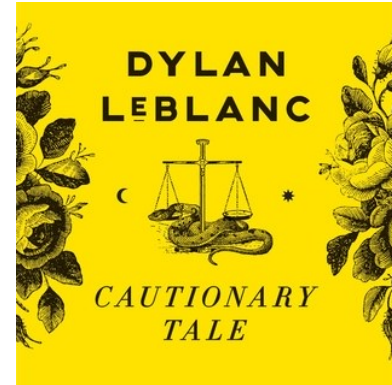

Pretty women say I want to  
look like that

More than \_\_\_\_\_<sup>9</sup> to pay  
All of that money, but it still  
won't stay

Little children, hear your  
father \_\_\_\_\_<sup>10</sup>

Every action like a puppet  
on a \_\_\_\_\_<sup>11</sup>

The exact same way  
Lower your mind to fall in  
the \_\_\_\_\_<sup>12</sup>

Screaming, look how far  
we've come  
Drive me to drink and buy  
me another one  
Then I'll be the chosen one  
For you'll break your back on  
a slip of the tongue  
Saying look how far we've  
come  
Saying look how far we've  
come
